Huge price improvement!!! You'll love this 4 bed 2.5 bath home. Its classic design brings a feeling to the home that newer homes just donâ€™t have. Bring your boat, RV or anything else that you cant have in that deed restricted neighborhood because this home has no HOA or deed restrictions. The oversized double lot is actually big enough for a second home to be built. This home has had many upgrades and improvements in 2024 to include the roof, exterior and interior paint. The freshly remodeled kitchen 2024 has granite counters and new never used stainless appliances. The large living room has a traditional wood burning fire place. The downstairs bonus room has a walk-in shower that is wheelchair accessible. Washer and dryer are new. New septic and drain field completed 06/25. Downstairs floors are new vinyl with a wood grain finish. The upstairs has the original hard wood floors! HVAC was replaced in 2021. Home is block construction and has termite preventative treatment bond. The huge fenced back yard has endless possibilities This home has no history of flooding. Great location close to I75 and the Expressway.
